I hope everyone had a good Memorial Day weekend and is ready for summer! Don't leave your dog out of summertime fun--sign up for a class now.

### Canine Good Citizen Preparation

The Canine Good Citizen evaluation is about teamwork and manners. This class will help prepare you to take the Canine Good Citizen test and get a certificate from the American Kennel Club or just have a super impressive companion. Many therapy dog organizations' tests are similar to the CGC. We only offer this class a few times yearly, so don't miss out.

Starts on Tuesday, 6/4, at 5:00 pm (Meets 5times) Register [HERE](#)

### Basic Manners for Community Dogs

Who says you can't teach an old dog new tricks? Not us! This class is for dogs who are too old for puppy class and haven't had any training--or even older dogs who need a little brush-up on manners.

Starts on Tuesday, 6/4, at 6:00 pm (Meets 6 times) Register [HERE](#)

### Searching for Fun!

*"Many dogs get sufficient walks and exercise, but insufficient stimuli of their innate senses...Many dogs would probably thrive better by exchanging some of the obedience and agility training for some well-chosen search games." (Anne Kvam)*

-So, here is your chance! This is a super fun and exhausting class for ALL dogs—all ages, all breeds, all physical conditions, and all levels of training (even no training)! It is a great activity when it is too hot to go for a walk. This is honestly one of the dogs' favorite classes.

Starts on Tuesday, 6/4, at 7:00 PM (Meets 5 times) Register [HERE](#)

### Tricks! Training! Tricks!

A whole class of just tricks and fun! Why? Because learning can be more fun -- and effective -- when you are having fun! The training sneaks in between the tricks!

Starts on Wednesday, 6/12, at 5:00 pm (Meets 3 times) Register [HERE](#)

### Leash Walking Lessons

Want to have fun walking your dog? This three-week class contains tips and training exercises to create a nice walking companion. We will work inside and when weather permits around downtown Los Altos.

Starts on Wed, 6/12, at 6:00 pm (Meets 3 times) Register [HERE](#)

### Better Recall -- Small Class

This is one of the most important cues to teach your dog--and the one that most of us mess up. In this one-night class you will learn how to practice inside and out.

Starts on Saturday, 6/15, at 12:00 PM (Meets 1 time) Register [HERE](#)

### Indoor Manners for Community Dogs

behavior at the right time in your house.

Starts on Saturday, 6/22, at 12:00 PM (Meets 3 times) [Register HERE](#)
